*An excellent wife who can find? She is far more precious than jewels. Her children rise up and call her blessed; her husband also, and he praises her: "Many women have done excellently, but you surpass them all." (Proverbs 31:10,28-29 ESV)*

What a beautiful picture has been painted in Proverbs 31. The picture of the excellent woman, praised by her husband and honored by her children. May 13 is Mother's Day, a day we set aside to honor the mothers in our lives. For some of us, it will be a day to remember mom. Others are a mother and still have the privilege to celebrate with their mother. Children give little presents while husbands use the opportunity to thank her for being who she is – mom.

God created man and woman with the command to be fruitful and multiply and cover the earth (Gen. 1:28), but He gave only the woman the unique gift of motherhood. Proverbs 31 describes the excellent woman who works from early morning till late at night. In fact, Solomon says that "her lamp does not go out at night" (18). And she speaks wisdom and kindness when she opens her mouth (26).

The voice of a mother sings the sweetest lullabies to the baby in her arm, and the same voice calls the children home for supper, cheers for them in sports, and comforts when the child is hurt.

Mothers are the ones who spend the most time with the children, teaching them while husbands are out all day making money to provide for the family. One biblical example is found in the second letter Paul writes to Timothy, "I am reminded of your sincere faith, a faith that dwelt first in your grandmother Lois and your mother Eunice, and now, I am sure, dwells in you as well." (2 Ti. 1:5.)

I am glad that we have this day set aside to honor the mothers in our lives, and Proverbs tells us that this day is a not only for the children to raise up an call her blessed. It is a wonderful opportunity for the husbands to praise her: "Many women have done excellently, but you surpass them all."

May our families be blessed, as we honor mom not only on Mother's Day.
