Chief Executive Officer

From the Chaplain's Desk:

“...and many bodies of the saints who had fallen asleep were raised, and coming out of the graves after His resurrection went into the holy city and appeared to many.” Matt. 27:52-53

Christ is risen from the dead! The verse quoted above is a strange one. It states that right after Christ died these holy ones were raised and appeared to many people in Jerusalem. What on earth does that mean? When Christ died, His soul travelled down to Hades, the place of waiting assigned to the dead. However, He went there with a difference: While Christ's human death was a true, real death, He died without sin. Moreover, though He died a man, He lives forever as perfect God. And so instead of entering death to await judgement, He went down Himself as Judge and Redeemer: “...being put to death in the body, but made alive by the Spirit, by whom also He went and preached to the spirits in prison [in Hades]...” (1 Pt. 3:18-19).

Christ entered death not as just another among the dead, but as Life Himself, there by His death to redeem, heal, and save. He claimed the keys of death away from the hand of the Devil who held them for many long ages (Gen. 3:14), and set free those who were captive there. “I am the living One. I was dead, and now look, I Am alive forever and ever. And I hold the keys of death and Hades” (Rev. 1:18).

Christ entered Death to set free the Old Testament saints. These are the ones who were raised when He died, and yet entered Death alive. Their appearances in Jerusalem (“the holy city”) prefigure the entering of all God's people into the heavenly Jerusalem, the city and Kingdom which comes down from God when we are all raised at the end of the age. Christ is risen!
